## Notice of Public Hearing on Tax Rate

The Upper Guadalupe River Authority (UGRA) will hold a public hearing on a proposed tax rate for the tax year 2025 on September 17, 2025 @ 3:00 PM at 125 Lehmann Drive Kerrville, Texas. Your individual

taxes may increase at a greater or lesser rate, or even decrease, depending on the tax rate that is adopted and on the change in the taxable value of your property in relation to the change in taxable value of all other property. The change in the taxable value of your property in relation to the change in the taxable value of all other property determines the distribution of the tax burden among all property owners.
